

Assignment 1							
Create Histogram for Dataset below:							
10,13,18,22,27,32,38,40,45,51,56,57,88,90,92,94,99							
Bins=5							
Bin Size=20							
Ages							
10							
13							
18							
22							
27							
32							
38							
40							
45							
51							
56							
57							
88							
90							
92							
94							
99							

### Histogram of Ages

Age Range	Frequency
0 - 20	3
20 - 40	4
40 - 60	5
60 - 80	0
80 - 100	5
